

Business Writing That Counts!

Developed specifically for those working in English-speaking environments who desire to write more effectively and clearly, our **Business English Essentials webinar program** helps professionals succeed in today's business world.

Learn how to:

- Achieve clarity and avoid common English usage errors
- Improve fundamental business writing skills
- Reduce errors in use of nouns and verbs
- Ensure that words and idioms are used correctly
- Develop confidence in your ability to communicate professionally
- Proofread and edit with greater ease
- Enhance your productivity and job performance

The webinar program consists of three components:

1. Live interactive webinar session, including Final Quiz and extensive handout for learning and retention
2. Two-sided 8x11 tip card as desktop reference
3. One-on-one coaching sessions with highly qualified instructors with expertise in working with non-native English speakers

Note: These can be purchased separately or as a package.
